ABOUT SOO ARMENIANS KILLED IN

American Missionaries Advised by

Minister Terrell to Withdraw from

Sassoun-Rebellion in China.

CONSTANTINOPLE, Oct. 31 .- A sensa-

don has been caused here by the report,

generally believed to be correct, that three

Armenian notabilities of Trebizond, includ-

ing a promient ecclesiastic, are to be executed on the ground that they are responsible for the recent rioting there. Accord-

ing to statements made in Armenian circles,

about eight hundred Armenians were killed during the fighting at Bitlis with the Turks.

The loss of the latter is said to be trifling. Advices from Moosh say that the leading Armenians of that locality have been con-

ferring with the representative Turks of

that city and neighborhood as to the means

to be adopted in order to prevent the out-

break there of disorders similar to those

which have occurred recently in different

parts of Armenia and which have resulted

in so much bloodshed. It is added that the

Turks stipulated that the American mission-

aries who are distributing relief to the suf-

fering people of Sassoun withdraw from

there in three days; otherwise the Turkish

notabilities fear there will be a massacre

In view of the critical situation of affairs

outlined above, the United States embassa-

dor, Mr. Alexander Terrell, has advised the

American missionaries to withdraw tempo-

rarily from Sassoun. At the same time Mr.

Terrell has notified the Turkish government

that the United States will hold it respon-

sible for the lives of the American mission-

aries. The United States embassador has

taken a firm stand in the matter and noth-

ing will be left undone that will in any way

British charge d'affairs, the Hon. Mr. Her-

bert, has made representations to the porte

of a nature identical with those of Mr. Ter-

decided to send troops to protect the mis-

sionaries. But here another complication arises. The Kurds of Sassoun are only held

in check by the presence there of the missionaries, fearing to commit excesses in their presence. They have threatened to plunder the Armenians after the departure

of the missionaries. Therefore, in any case, fresh troubles are feared, unless the au-

thorities take special measures for the pro-

tection of the Armenians. The mere presence there of Turkish troops is far from being a sufficient guarantee against a repetition at Sassoun of the bloodshed which has

recently occurred in other parts of Armenia

and nothing but the most energetic action,

it is asserted, can evert a serious disturb-

ance. In view of these facts, the Armenian

such as has just occurred at Bitlis.

THE WILD HUNTSMAN CASE AT LA-TONIA STILL UNDECIDED.

Kentucky Central Stakes Won by Captive, with Ramiro Second-Results of Other Races.

CINCINNATI, Oct. 31.-The Wild Huntsman case is the chief topic of interest at the Latonia races. No decision has yet been given out by the judges, but the question of bets on the race will be settled to-morrow. There seems to be no doubt about the identity of the horse, but recent evidence indicates that Bill Brannon is back of him, if not the actual owner. D. S. Carrigg, of Council Bluffs, Ia., telegraphed the judges to-day, "Brannon took the horse from me and turned him over to Stafford," the man in whose name he ran. | day's races: People from St. Louis and Brooklyn who have been connected with the Brannons came here to play the horse. Further evidence is expected to-morrow. Should it be shown that Wild Huntsman is owned or controlled by parties who are ruled off the turf, it is more than probable that all bets will be declared off and somebody se-

The track was very heavy to-day for the first time during the meeting, and the weather disagreeable. The chief event on the card was the Kentucky Central's stakes, a mile for two-year-olds, won by Pat Dunne's colt Captive. Ramiro, with the top weight, 125 pounds, gave him a race until entering the stretch, when the weight and heavy going began to tell, and Captive

came on and won easily. Summaries:

To-day saw one of the greatest events in the history of the Western turf. W. W. P., owned by Dubois Brothers, of Denver, broke the world's record, held by C. J. Hamlin's Nightingale, for two-mile pace. The track was fast, but a strong north wind blew in the horses' faces on the back stretch. W. W. P. paced two miles in 4:22%, lowering the world's record nine and one-fourth seconds, Nightingale's record being 4:32. Strathberry tried to beat the pacing record now held by John R. Gentry of 2:08%, also to lower the track record, 2:06%, made by the marveious record for this time of year, going the mile in 2:04%, within half a second of Gentry's time and lowering the track record two and a half seconds, making the first half in fifty-nine and threequarters seconds. SAN FRANCISCO, Oct. 31.-District Attorney Barnes did not finish his speech in the Theodore Durrant trial to-day, as he announced last night he would do. The jurors asked the court not to send them day to consider the case. The request was to have his words still ringing in the ears of the jurors when they should retire to agree on a verdict. He spoke until time morning. As Judge Murphy's charge is un-

She burst into tears and flung her arms about the neck of her son as if to shield him from the torrent of invectives of which he was being made the object. Durrant remained measurably calm, but his mother, although she made several efforts, could not control her emotion. In the meantime the District Attorney, who did not notice her state, his face being turned away, continued his scathing argument until juror Smythe finally brough the incident to a close by asking for five minutes recess. There are no witnesses to tell the details of that awful struggle between virtue and vice, but there are circumstances fraught with more meaning than words that tell the whole story and declare Theodore Durrant the murderer. CASE OF ERASTUS WIMAN.

Two Important Points Argued Be-

ALBANY, N. Y., Oct. 31 .- The Court of Appeals heard arguments to-day in the case of Erastus Wiman, charged by his late partners in the mercantile agency, R. G. Dun & Co., with forgery. The conviction of Oct. 31: Mr. Wiman under Judge Ingraham a year ago last summer, when he was sentenced to Mean Sing Sing for five and a half years, was reversed by the Supreme Court at its general term last February, and it was against this decision that the district attorney of New York appealed. Inasmuch as the points involved relate mainly to what constitutes a partnership by participation of profits, and as there are thousands of business establishments who have employes thus compensat-ed, the case is likely to excite wide attention, aside from the prominence and public services of Mr. Wiman. The contention before the court is divided into two sections -First, as to the guilt or innocence of Mr. Wiman, resting upon his right to sign and indorse the check in dispute, and, second, as to the errors of the trial judge. The first point may be determined on the decision of the question whether Mr. Wiman was or

RED HAT FOR SATOLLI.

Cardinal Gibbons Delegated to Confer the Honor on the Ablegate.

WASHNGTON, Oct. 31.-Mons. Satolli today received official notice of his elevation to the cardinalate. The first announcement came by letter, and was followed by a cablegram to Cardinal Gibbons, as fol-

"To the Most Eminent Cardinal Gibbons, "I am happy to inform you that the Holy Father having decided to confer the cardinalate on the apostolic delegate, Monsignor Satolli, your Eminence will be delegated to impose the cardinalitia biretta, his Holiness intending in this way to perform an act gratifying to your Eminence. "RAMAPOLLA, Cardinal.

The cablegram reached Cardinal Gibbons at Baltimore this morning, and he left on the first train for Washington to congratulate Mgr. Satolli on his elevation. Mr. Sa-

tolli bore his honors gracefully and quietly. To the hearty well-wishes of the Cardinal, Father Maghion and the several members of the delegate's household he responded with sincere expressions of thanks for the profound honor conferred upon him. Dr. Rooker, secretary to the delegate, made this announcement: "Mgr. Satolli will be created cardinal at the consistory assembling about the middle of November.

He is not to go to Rome for the ceremony of receiving the beretta at this consistory. Cardinal Gibbons will be delegated to act for the Pope in conferring the beretta. The auditor of the delegation will act as papal ablegate at the ceremony, consigning the beretta to Cardinal Gibbons for its imposition. The beretta will be brought from Rome by one of the noble guard, who will leave Rome the day after the consistory. The ceremony will consequently probably take place early in December at Baltimore. Mgr. Satolli will not leave America, rell. The result is that the government has but will continue at the head of the delegation."

The exact date of the assembling of the consistory at Rome has not yet been an-

Two Priests Convicted of Defying

Bishop Bonacum's Authority. LINCOLN, Neb., Oct. 31 .- The long-drawnout fight between Bishop Bonacum and his priests, which has resulted in that prelate being in the Police Court for criminal libel and the removal of many priests, was renewed to-day when a diocesan court convicted Fathers Fitzgerald and Murphy and expelled them from the diocese for defying the bishop. The convicted men assert they are the victims of a packed jury. The defendants were notified to appear for trial by a Lincoln detective, but refused to accept an irregular service and did not put in an appearance when the trial was called.

Both priests are determined to resist eviction. They declare they will yield no right until a fair and impartial hearing of the charges are heard, and assert the socalled trial is void because the bishop, as plaintiff, was judge in his own case. The bishop has appealed the matter to the civil courts. Fitzgerald was secretary of the St. Bernard's Union, composed of the priests who preferred charges against Bishop Bonacum, and in the course of his duties wrote some very warm letters to the authorities of the church on diocesan affairs. Bishop Bonacum and Rev. K. G. Caraher called at Tecumseh last Saturday to take possession of the pastoral residence and church. Murphy refused to vacate. A similar visit was made to Auburn and was fruitless. The bishop will attempt to force his way in.
